OPEN-ENDED QUESTIONS

What are the primary strengths and weaknesses of the teaching assistant?

Comments
TA session was very organized
Well prepared ta notes, great explanation, and well prepared answers
Availability and clear exposition when explaining
Avner was great at explaining really difficult-to-grasp concepts. I also found that he was very patient in explaining concepts. To any follow-up questions I had or feedback, Avner would change how he explained the concept until I got it. Avner showed real dedication as a TA, which was a huge help in such a hard course.
Best TA ever! Extremely caring and organized, great at explaining and conveying the material
